The property is within a Rural Housing Incentive District (RHID). The City of Great Bend will convey title to the buyers and will hold \$10,000 in escrow, which will be returned once a certificate of occupancy is issued. The proposed dwelling will be consistent in design and character with existing homes in the neighborhood. All requirements related to dwelling size, floor plan, purchase price, and housing type are detailed in the attached purchase agreement with the Kellers. Building permits must be obtained within 90 days of the closing date, and a certificate of occupancy must be issued within 365 days of permit issuance. If the buyers fail to meet these construction deadlines, they will be required to return the property to the city or reimburse the City for the cost of the property and associated improvements, including water, sewer, stormwater, and paving. City Administrator Logan Burns will report.

Recommendation: Motion to authorize the sale of the lot to Kevin and Jeff Keller and authorize the Mayor to sign the documents necessary to complete the sale.

- 6. Great Bend Lodging Final Plat:** Great Bend Lodging has submitted a final plat for property located at 3017 10th Street, adjacent to the Events Center, for the future development of a hotel and associated restaurant uses. The final plat was presented to the Planning Commission during a public hearing on January 26, 2026. At that meeting, the Planning Commission heard from representatives of the ownership group regarding the proposed site improvements and reviewed discussion related to the drainage study for the property. Following the public hearing, the Planning Commission voted to recommend approval of the final plat to the City Council. The proposed improvements associated with the final plat include the relocation of the existing sanitary sewer line further south on the property and extending it east. This adjustment is intended to create a larger developable lot for a restaurant, with the hotel located toward the rear of the site. To guarantee completion of these improvements, the owners have submitted a letter of credit in the amount of \$60,000, which will ensure installation of the new sanitary sewer line and removal of the existing line. City Administrator Logan Burns will report.

Recommendation: Motion to approve the final plat and motion to authorize the mayor to sign the final plat.

- 7. Public Lands Truck:** Annually at budget time we request through capital outlay funding to upgrade/replace some of our ageing equipment. We received two bids. The low bid was from Marmie Ford for a 2026 F250 4x4 for \$43,875.00. Marmie Dodge was \$45,460.00 and Chevrolet did not bid. This will replace the 2010 F150 with ongoing mechanical issue. The trade-in will be applied to the price. Public Lands Director Scott Keeler will report.

Recommendation: Motion to approve the purchase of a 2026 F250 4X4 from Marmie Ford for \$43,875.00.
