GAME RULES:

The goal of the game is simple: listen carefully, follow direction, and get the cup before your opponent.

You will be across from an individual, and between you will be a cup. There will be a supervisor of the game who will announce "Head," "Shoulders," "Knees," etc. When they announce something, you must put your hands there until they announce the next thing. When they say "Cup!", you must retrieve the cup. The participant who has the cup in their possession first, wins!
